RE: TSA Enrollment Information

Greetings, I am glad to once again welcome you back to the world of education and technology in the classroom! The following information is pertinent to beginning your TSA Chapter for the 2006-2007 school year. Please contact Emily Gallup ([egallup@pte.idaho.gov](mailto:egallup@pte.idaho.gov)) or me ([mpittman@pte.idaho.gov](mailto:mpittman@pte.idaho.gov)) if you have any questions.

This year there are a few changes regarding Idaho TSA membership that we would like for you to be made aware of. We are now directly affiliating with National TSA. This means that you will be completing your affiliation online at [www.tsaweb.org](http://www.tsaweb.org) and sending payment directly to National TSA. To begin affiliation contact Emily for your user name and password and log on to [www.tsaweb.org](http://www.tsaweb.org), click "Join TSA" and follow the steps online.

Chapter registrations must be postmarked by October 16<sup>th</sup>, after that date fees double (this is Idaho TSA policy). You need to only sign up one member to activate your chapter. Chapters registering by October 16<sup>th</sup> may add additional members until January 10, 2007. If you need to order publications, please order directly from National TSA.

The 2007 State Conference will be held in Coeur D'Alene, Idaho, March 8<sup>th</sup> – 10<sup>th</sup>. Sal Lorenzen, Colby Mattila and Miles Carroll are the 2007 conference coordinators. Registration for State Conference will begin soon, and will be the same as years past. Please visit the [Idaho TSA website](#) for more information.

The 26<sup>th</sup> Annual National TSA Conference is scheduled for June 24-28, in Nashville, TN. In order to attend National, students must register for both State and National TSA membership.

We look forward to a renewed TSA involvement this year with more Chapters and members. Please continue to check the [Idaho TSA website](#), as this memo and attachments, along with specific information and updates for the year, may be found there.
